100% Manual

DESCRIPTION:

Pacheca 10 year old Tawny Port is a wine resulting from a lot of several Port Wines that have aged in old casks of 550-liters over many years in the fresh warehouse of Quinta da Pacheca. During aging, the wine acquires its characteristic amber-accented color and characteristic aromas of this oxidation process.

TASTING NOTES:

Reveals to be a very elegant wine of fresh nose, notes of menthol and nuts, caramel and chocolate. Presents a full-bodied taste in the mouth with good acidity that gives it freshness and a long finish.

SUGGESTIONS:

It can be drunk fresh as an aperitif or at the end of the meal accompanying cheeses, black chocolate desserts or red fruits.
